

European Muslim Forum's address to the King of Saudi Arabia, the Custodian of the Two Holy Mosques, His Majesty Salman bin Abdul Aziz Al Saud

To the King of Saudi Arabia, the Custodian of the Two Holy Mosques, His Majesty Salman bin Abdul Aziz Al Saud from European Muslim Forum which is a social platform for Muslims in Europe which is the home for more than 170 million Muslims.

The Board of the European Muslim Forum has the honor to address Your Majesty on behalf of Muslims from Europe with a request. Recently, mass-media outlets have passed the message that just after the Holy Month Ramadan in the country that is entrusted to You by the Almighty Allah there will be performed an execution of very famous Muslim scholars Sheikh Salman al-Ouda, Awad al-Qarni, and Ali al-Omari. Sheikhs Salman al -Ouda, Awad al-Qarni, and Ali al-Omari are well respected and loved scholars with a significant number of followers all over the world. In regard of this issue we are appealing to Your Majesty as the Custodian of the two Holy Mosques, the Defender of the rights of Muslims around the world and the man who always employs all his efforts to help Muslim Ummah, to express and to bestow Your Mercy on these sheikhs by following the countless examples of our beloved Prophet Muhammad, peace and blessings of Allah may be upon him, who is the Greatest example for all his followers.

Even if Sheikhs Salman al-Ouda, Awad al-Qarni, and Ali al-Omari did something that violated the laws of the Kingdom of Saudi Arabia, which are known to You, we ask You to show them Your mercy and generosity, issue pardon for the Sheikhs for the sake of humanity and accord.

We kindly ask Your Majesty to cancel these three executions if there is still a possibility of such a decision to be made. Surely such a decision would raise even higher the authority of your Majesty and your respected country in the Islamic world and in the international community as a whole. It is not a coincidence that we are making this appeal to Your Majesty in these blessed final days of the Holy Month of Ramadan when Muslims get a pardon from the Creator for their wrongdoings and transgressions.

Once again, we express our utmost Gratitude to your Majesty and ask You kindly to respect the enduring appeal of your Muslim brothers in Europe and pardon Sheikhs Salman al-Ouda, Awad al-Qarni, and Ali al-Omari. In any case of breaking the laws, there might be a chance of repentance and rehabilitation.

After this appeal, our hearts will be full of hope waiting for the good news from the Kingdom of Saudi Arabia, the center of whole Muslim Ummah which is led by a very wise ruler His Majesty King the Custodian of the Two Holy Mosques Salman bin Abdul Aziz Al Saud.

We address you from a place which was a meeting point between Christian and Muslim civilizations for centuries, the Mediterranean island nation of Malta. We all well know Your Majesty's great efforts in a field of interreligious dialogue which is in the nowadays world a base for peaceful coexistence between Christianity and Islam and raises these relations to a new level of respect and tolerance in the whole world.

May Allah the Almighty guard You and Your Kingdom from all harm and we ask

The Benevolent to bestow His infinite mercy and blessings on You.

With respect and kind prayers,

The Board of European Muslim Forum
